

MTIS Abstract Poster Specifications

Timeline

Posters will be displayed on Thursday 10th September from 16:00 and taken down on Saturday 12th September from 15:30.

Please ensure that your poster appears on the board corresponding to your abstract number in the programme. Velcro adhesive will be provided so please do not use pins or double-sided tape.

Poster presenters are respectfully asked not to remove their posters before the official take down.

Size

Poster Board 'A0' size: Space available will be 946mm wide by 2340mm high, the display should not exceed these dimensions. We recommend printing posters to A0 portrait dimensions; A0 portrait – 841mm (w) x 1189mm (h).

Text and Format

A brief statement of the aims and results of the research should be included in a prominent position.

Text should be concise and easily read at a distance of 1.5 metres with lettering \geq 6mm in height.

Diagrams should be simple and self-explanatory.

Digital Poster Slides

To complement your printed poster board, we ask that you submit two digital Powerpoint slides to include details of your research and findings.

Please email your slides to MTIS2020abs@mci-group.com by 7th September 2020.

To confirm, your presentation is via PowerPoint only, you do not need to prepare and print a physical poster.
